

DIRECTOR OF SPIRITUAL LIFE

JULIA CUTHBERT

This year was especially difficult due to COVID. I wasn't able to do everything I really wanted to do as your Director of Spiritual Life. In fact, I wasn't even able to be with you on campus last semester. But I meant every word I said in my chapel speech last year and I still mean it today. I'm not just dedicated to this job, I'm dedicated to you as students. I'm dedicated to your needs, your hopes, your wins, your losses. I'm dedicated to being among you, serving you and caring for you. If you vote for me again, I will be dedicated to continuing my work for Spiritual Life on this campus, not for my sake, but for yours.
